

Voices: Chicago Jewish Teen Foundation 2024-2025 Request for Proposal Women's Rights Committee

Voices: The Chicago Jewish Teen Foundation is comprised of a group of Chicago-area Jewish teenagers from a variety of backgrounds. The Foundation focuses on different philanthropic needs each year. We are funded by a special endowment through the Jewish Federation of Metropolitan Chicago as well as our own contributions. This year, Voices 101 members divided into four committees based upon four different areas of interest: Combatting Antisemitism, Economic Justice and Education Equity, Supporting Victims of October 7, and Women's Rights.

Mission Statement

The Voices 101 Board is devoted to making a positive impact on society by providing grants aimed at combating antisemitism, supporting victims of October 7, ensuring women's rights, and addressing economic hardship. We strive to create a safe space for Jewish teens in the Chicagoland area to discuss current events and issues. The Voices 101 Board will make all decisions through the lens of three core Jewish values: respect, community, and taking initiative.

This Request for Proposal (RFP) represents the grant guidelines and funding goals of the **Women's Rights Committee**.

Grant-seeking organizations may apply for funding from multiple committees, provided each application is for a different project. Organizations that have applied for or received funds in previous years are welcome to reapply.
